

FAQ

Got questions? We got answers! See below for our most frequently asked questions.

- **Can I get measured for my final weight at either Finale location?**

Yes, you can attend either finale to receive your final weight and measurements. If you can't make it to either of the finales (in Brownsville on April 20th or Edinburg on April 27th), you can receive your final weight and measurements at the early weigh-out on April 13th. However, you must be present at noon at a finale to be eligible to win raffle prizes, including the 5% raffle for \$1,000.

- **Does my whole team have to weigh-out together?**

No, the team does not have to weigh-out at the same time or location. Not everyone from your team needs to be present to win. If your team wins, at least 1 member of your team is required to be present to receive the prize. If your team received a prize in Brownsville, you will not be eligible to receive a prize in Edinburg if additional members weigh-out at that time.

- **If I weigh-out early, do I need to be present at the Finale?**

If you aren't able to attend the Finale events, you may still complete The Challenge-RGV at the early weigh-out on April 13th. Keep in mind that even if you weigh-out early, you must be present at noon for one of the finale events while the raffles are happening to qualify to win, including the 5% weight loss raffle of \$1,000. If you choose to weigh-out again at one of the Finale events, only your most recent weight will be considered. You may only win categorical prizes at one of the Finale events.

- **When is the last day to turn in my participant card?**

You can turn in your completed participant cards up through the day of the Finale. You're welcome to turn them in at the Finales on Saturday, April 20th in Brownsville or Saturday, April 27th Edinburg.

- **What raffles am I entering when submitting the participant cards?**

When you submit your completed participant card (contains all 10 stickers), each completed card is entered into a prize drawing at the Finale events in Brownsville and Edinburg. You must be present to win. Raffles will begin after 11:45 AM.

- **How do I qualify to win any of the three, 5% weight loss raffles for \$1,000?**

When you receive your last weight and measurements at the early weigh-out or at one of our Finale events, the system will compute the percentage of your weight loss. You will automatically be entered into the 5% weight loss raffle happening at our finale events IF you meet the eligibility criteria by losing 5% of your weight when compared to your initial weigh-in. You must be present during winner announcements to receive a prize. Sending a representative is not acceptable. You are only eligible to win at the finale event you attend.
