Instructions for Supervisor's First Report of Injury

1. Report work injury/illness to your supervisor. If this is a Needlestick/Bloodborne Pathogens or TB Exposures; **please refer to the protocol sheet and call the appropriate hotline.**
2. **Employee/Resident/Student** need to complete and sign the **Supervisor's First Report of Injury ("FRI")**; including the Information Release section. **Employees/Residents** need to complete & sign the **Network Acknowledgment Form**. ****Submit completed forms to RMI, do not send the entire packet.** The remaining pages concerning the IMO network should be given to the UT Health Employee/UT Health Resident/Fellow.
3. **Employee/Resident** if you choose not to seek medical attention initial **(A)**. **{This does not prevent you from seeking care at a later date}.**
4. **Employee/Resident** initial **(B)** indicating that a copy of the Business Procedures Memorandum (BPM) 66-10-04 concerning confidentiality of your social security number was received.
5. **Employee/Resident** initial **(C)** indicating that the Network Acknowledgment Form & the Notice of Network Requirement Packet have been received.
6. Have your **supervisor sign and date the form**. Your supervisor's signature acknowledges the work-related injury/illness was reported and the date the injury/illness was reported.
7. **Submit** the completed forms to **RMI** by fax (713-500-8111) or encrypted email (sondra.k.faul@uth.tmc.edu).
8. **Lost Time?** Call Risk Management & Insurance ("**RMI**")/Workers' Compensation (713) 500-8127 or 8100. A **Request for Paid Leave Form** must be completed and submitted to RMI within 3 days of lost time. This applies even if personal sick or vacation time is used.

IMO Information does not pertain to Students, Visiting Residents or Fellows.

Student should contact UT Student Health Services at 713-500-5171.

Visiting Residents or Fellows should contact their employer.

9. As of **April 1, 2013**, UT System has contracted with IMO Med-Select, a certified workers' compensation health care network, to provide medical care for UT Health employees who sustain work-related injuries/illnesses.

Non-Emergency Care: If you live within the IMO Med-Select network service area, you must seek medical care from an IMO Med-Select network provider. Your medical provider will refer you to a network specialist, if necessary. If you receive medical care from an out-of-network provider, you may be financially responsible for the services provided should it be determined that you live within the network service area. UT Health Employee/UTHealth Residents can go to the IMO website at **www.injurymanagement.com** for a list of network providers.

For your convenience UTHealth Employees/Residents can be seen at UTHealth Service ("UTHS") which is part of the IMO health care network. UTHS is located at 7000 Fannin, UCT 1620. Please call 713-500-3267 ext 1 for treatment. Take a copy of the Supervisor's First Report of Injury and Acknowledgment Form to the appointment. **Emergency Care:** In an emergency situation, you should seek medical care from the nearest hospital emergency room. However, follow-up medical care should be received from a network provider.

Out-of-Network Care: If you live outside of the IMO Med-Select network service area, you are not required to be treated by an IMO Med-Select network provider. You should seek medical care from any provider who accepts Workers' Compensation Insurance.

Note: Supervisor/Employer's failure to report lost days, return to work, resignations/terminations within (3) days of knowledge could result in fines up to \$25,000.00 per day per occurrence issued by the Texas Department of Insurance-Division of Workers' Compensation.

Please contact RMI (713-500-8127 or 713-500-8100) or visit the Safety, Health, Environment and Risk Management web page at <https://www.uth.edu/safety/risk-management-and-insurance/>.
