UTHealth | START

User Access Form Request

UTHealth START provides a web-based system for managing all aspects of research administration. Access is available to all UTHealth faculty and staff. A validated UTHealth START profile is required to access UTHealth START.

Complete the questions below to request a new user profile. Please answer completely and accurately as this will expedite the validation process. You will receive an e-mail confirming the approval of your access to UTHealth START within two business days. If you need assistance with this form, please e-mail SystemsReporting@uth.tmc.edu.

FOR UPDATES TO EXISTING UTHEALTH START ACCESS: Complete this form and list updates needed in the e-mail when submitting the form.
