

Greetings Students,

Houston METRO will be present at this year's Salutation event to educate students about the transportation options, as Houston METRO provides safe, clean, reliable, and accessible transportation services to the entire Houston area, including the Texas Medical Center.

Students that wish to utilize Houston's public transit system are encouraged to apply for a transit card through Houston METRO. Below are the instructions on how to apply for a transit card.

Steps to apply:

- Download and complete the [METRO card application form](#).
- Have your government issued photo ID available
- Have one (1) of the following proof of credit hours:
 - Current class schedule along with tuition receipt
 - Letter from UTH verifying your enrollment status
 - Print the completed application form (link above) and have UTH registrar sign/stamp for verification.
- Once application is complete and other documents are in place, visit the METRO [Online RideStore](#) to upload documentation electronically.

Once the application is complete and uploaded into their system, a card will be delivered to the address provided. Representatives from Houston METRO will be present during the Salutation program to help answer any additional questions and provide guidance.

Thank you,

Nicole Adler

Account Executive, Business Development

Metropolitan Transit Authority
